CERTIFICATE OF COMPLIANCE

EverTUFF™ PVC Schedule 80 Industrial Pipe

Spears® Manufacturing Company certifies that its PVC Schedule 80 pipe shall be manufactured from Type I, Grade I Polyvinyl Chloride (PVC) compound, Cell Classification 12454 per ASTM D1784, and manufactured in strict compliance to ASTM D1785, consistently meeting and/or exceeding the quality assurance test requirements of these standards.

The product is certified for potable water service, in compliance to the Uniform Plumbing Code, to California Health & Safety Code Section 116875 (commonly known as AB1953) and Vermont Act 193 for weighted average lead content $\leq 0.25\%$, by NSF International®."

All pipe shall be manufactured in the USA and supplied with plain ends in 20 foot standard length, as supplied by Spears® Manufacturing Company.
